Please use this form when sending your Polar Heart Rate Monitor for service. Print this page; fill out the requested information and return with your complete unit. We always recommend that you use a traceable and insured shipping method, such as UPS or Insured US Mail. Polar is not responsible for items lost in transit.

You can expedite your repair by including your credit card information and pre-authorizing repair charges. The amount we recommend is \$75 which will cover receiver battery, replacement transmitter (most common repairs) and return shipping. Please include a credit card number (Visa, MasterCard, American Express or Discover Card) with expiration date and security code and authorize charges to \$75. **You will only be charged the cost of the actual repair.** We will contact you by mail or e-mail to authorize any additional charges.
